**To: All Pastors, Elders, and Education Sponsors**

Christian greetings,

I trust this message finds you in good health and high spirits. As we draw near to the commemoration of **Christian Education Day** on **March 23, 2024**, the Central Jamaica Conference extends a warm invitation to all local churches to join us in placing special emphasis on this significant day.

This year, our theme is "**Beyond Boundaries: Educating for Eternity.**" This theme encapsulates our dedication to education that transcends conventional limits, with a focus on fostering a timeless and enduring impact.

In preparation for this occasion, we will send a suggested sermon on a later date that can be utilized to enrich the day's proceedings. We aim to shed light on and celebrate the invaluable importance of Christian education in our lives and communities. I pray that you will have a power-packed celebration of Christian Education in your local churches.

We are deeply grateful for your continued support. May God abundantly bless you in all your endeavours.

Warm Regards,

---
