Dear Sister-Leaders,

## Happy New Year!

With great joy, we welcome 2025—a year brimming with possibilities. As we reflect on the past year, we recognize the blend of joy, grief, disappointments, achievements, and countless blessings that have shaped our journey together. Through it all, we hold fast to the encouragement of James 1:2: *“Count it all joy ... knowing that the testing of your faith produces patience.”*

We are deeply grateful for your unwavering support in uplifting, encouraging, and challenging the women in our church as they walk their path as disciples of Jesus Christ. Your acts of love have also made a profound impact on our wider community.

As we step into this new year, we may not know all that lies ahead, but we believe that there is nothing that we and God cannot handle together. We anticipate moments of victory, strength during challenges, and peace in every circumstance.

Our conference theme for 2025 is **“Refuelled for M.O.R.E.”** and, as a ministry, we are focusing on the theme **“Made to Flourish.”** We are excited to invite you to our **Women’s Ministries Online Leadership Training on February 1, 2025.** We also look forward to connecting with you at our women’s ministries rallies, in-person training sessions, women’s conferences, and local events.

Attached, you will find the Central Jamaica Conference departmental calendar of events, along with resources from the Women’s Ministries departments of the Inter-American Division and the Jamaica Union Conference. These resources include information on the “Rescued by Jesus” program, Bible studies, and a variety of initiatives you can implement in your local church.

May God guide and empower us as we serve Him and inspire others in 2025.

Yours in the Master’s Service,

---
